

## Cambridge School Srinivaspuri Monthly Report- December 2018

### INTRA SCHOOL EVENTS

5.12.18 A Mathematics puzzle activity was held for classes III and IV. The activity was based on puzzles and general awareness about maths. All students of class III and class IV participated in the activity. It was a good learning experience for the children.

Names of the best performers :-

Class III A :

1. Adeena Parvez
2. Advika Ingle
3. Hifza Khalid
4. Himanshi Yadav
5. Md. Aqib Khan
6. Suman

Class IV A :

1. Munazzah Husaini
2. Saumya Yadav
3. Syeda Tasleem Zehra Naqvi

Class IV B :

1. Divija Bora
2. Inshaal Sayeed
3. Mohammad Rayed

7.12.18 The Geography Department conducted their workshop on the topic 'Life and Death of Planet Earth—Is It Too Late ?'. The workshop commenced with a discussion on the evolution of the earth billions of years ago and how various life forms originated at different eras. It then led to a deliberation on the destruction of the earth by natural and man-made phenomena. The workshop concluded with some suggestions to combat these problems in order to bring about a change and prevent the rapid destruction of Earth.

10.12.18 The Inter Section Poster- Making activity on Human Rights was held for the students of class IX. The students came up with ingenious ideas on the topic. The creativity in the fertile minds of the children could be observed in its various hues and forms.

- 11.12.18 The Commerce Department conducted an INVESTOR'S MELA- "Is it a million dollar idea?" for the Entrepreneurship Club of class XI. Aspiring Entrepreneurs pitched their business models to the judges and persuaded them to invest money in their ideas. Six teams in groups of four presented and explained why their business idea was the best which included their innovative products, its features, channel of distribution, pricing, promotion of the product, capital investment required, etc. It was an enjoyable and innovative event for students. The event also included the AD MAD activity.

**THE WINNERS WERE:**

COMPETITION	POSITION	NAME	CLASS
Is it a million dollar idea?	I	Aryan Vimmi Arora, Himanshu Rawat, Akash.S, Mohd. Zain	XI
	II	Dhairya , Shailender Nagar, Mohd. Asad, Mohd. Zaid	XI

- 14.12.18 Nature and its preservation was the theme for the class VII Annual Day. The entire programme highlighted Nature's response to the widespread destruction caused by mankind. It commenced with the school prayer 'Sangachdhvam, Samvaddhwam a Rigveda Mantra signifying unity for happiness & prosperity. This was followed by a lyrical dance performance based on 'Maa Saraswati Shaarde' an invocation to the Goddess of Learning and Arts sung by the Indian Music Choir. The Class VII Western Music Choir rendered a beautiful version of the song 'Edelweiss' to appreciate the resilience of the beautiful flower that survives in harsh climate. To highlight the degradation of mountains, rivers and forests due to the incessant exploitation by human beings, the students presented a topical and riveting play 'The Mountain Speaks'. The Principal applauded the efforts of the students for the splendid show and thanked the parents for their support and encouragement

- 21.12.18 The students of Class VI presented a theatrical adaptation of the classic fairy tale 'The Little Glass Slipper'. The Annual Day commenced with the school prayer 'Sangachdhvam Samvaddhwam' a Rigveda Mantra signifying unity for happiness & prosperity. The Class VI Indian Music Choir and the classical dancers performed an invocation to Lord Ganesha, 'Jai Ganaraya'. This was followed by a contemporary enactment of the children's story which aimed to highlight that each individual is beautiful in his/her own way and must live for others and serve the society. The Principal encouraged the students to create their own milestones to develop their individuality and thanked the parents for their support and motivation.

- 27.12.18 Students of class XI gave a grand Farewell to the batch of 2018-19. The programme included cultural performances and fun-filled activities. Harris Amjad of XII-E and Chhavi Katyal of XII-D were declared Mr. and Ms. Cambridge respectively. The school Head Boy and the Head Girl shared their journey at Cambridge and expressed their gratitude to the Principal and the teachers. The event culminated with the singing of the school prayer, 'Sanghachadvam Samvadadvam', one last time with fervour; holding aloft lit candles and wishing for the bright future of the batch of 2018-19.

## INTER SCHOOL ACTIVITIES

- 7.12.18 In its endeavour to strengthen Community Policing, Amulya Patnaik, Commissioner of Police, Delhi launched 'Police Uncle', an initiative to reach out to the school children of Delhi. The programme was aimed at reaching school children and showcasing a friendly face of the police among the upcoming generation and to educate them about the police, its functions and duties etc. At the outset, 'Etr-The Band' performed patriotic and instrumental songs which was followed by a talk on Good Touch/Bad Touch to sensitize young children. A short movie was shown to the children to make them aware about cyber crimes. Students of our school participated in the event.
- 8.12.18 The students of classes VI – IX of our school participated in the Delhi Public School- SNF@school health festival 2018 to motivate children to adopt healthy living and eating habits. The various events included-
- Collage Making: My healthy lunch box
  - Poster making; Say no to tobacco
  - Show you care, Be aware: Food adulteration test demo
  - Eat right, be bright: Health quiz
  - Nutritious can be delicious; Fireless cooking
  - Street food photography
- 13.12.18 A session was conducted on 'Innovative Teaching of History' by History Diaries at Cambridge School Noida. The session was attended by Ms. Meenu Mehra , Ms. Rita Bhatia, Ms. Vatsala Kesar Pandey and Ms. Surabhi from the History Department. The session was interesting in its approach to the methodology that could be used to introducing history chapters to students by using images and to tap the creativity of students in asking and answering questions. A student session was also conducted wherein the above methodology was used. The image of a historical site was shown and the children were asked to observe the picture and write what questions would they like to ask. This led to the students brainstorming even minute aspects of the image and they came up with various possible questions, answers and ideas.
- 18.12.18 Cambridge School Srinivaspuri organised 'Innovations- 2018', the Annual Inter- School Science Fest to encourage creativity, curiosity and scientific temperament amongst students. The Principal, while addressing the gathering, encouraged the students to participate with vigour and ingenuity. Reputed schools of Delhi-NCR participated in the competition and presented a variety of topics in the Symposium including 'Use of Nanotechnology in Today's World,' 'Super Materials: Building the Impossible,' 'Technology and Sustainability' and many more. Vineet Kaur and Manish Sharma of Guru Tegh Bahadur Third Centenary Public School excelled in this segment with their views on the manipulation of individual atoms and molecules within nanotechnology. In the Model Making event, participants designed unique models on the theme, 'Industry and Pollution'. Gurkirat Singh and Lubhansh Pathania of Guru Tegh Bahadur 3rd Centenary Public School secured the first position for their 'Smog Fighter New Age Car' to combat pollution. The second prize was bagged by Vansh Kakkar and Vedant Sindhwani of Springdales School, Dhaula Khan. The third event was the 'Observe and Tell' in which the participants attempted multiple choice questions on various activities such as Osmosis, Diffusion, Electrostatic Charges etc. Ipshita Joshi and Samvid Pundir of Presidium School won the first prize and the second prize was won by Pratush Verma and Rushil Goyal of Mayoer School, Noida for the same. Guru Tegh Bahadur Third Centenary Public School was the overall winner of 'Innovations 2018'. Mr. A. Balamurugan, Vice President-Electronics Sector Skills Council of India graced the occasion as the Chief Guest. He spoke to the students about the importance of time and the need to have a clear vision in life in order to achieve success..The competition was judged by eminent researchers and professors who applauded the efforts of all the participants.

## WORKSHOPS & SEMINARS

3.12.2018 CSS has partnered with Google Inc. and was invited to be a part of Google's globally successful 'Computer Science First Education Program' which is being launched in India for the first time.

It is designed to introduce coding and computer science to students from classes IV-VIII in a collaborative and creative environment. The Computer Science First Club Members will build projects in Scratch ([scratch.mit.edu](http://scratch.mit.edu)), a block-based programming language. Digital support material is also provided to teachers by Google to facilitate creative output. The pilot project included activities like 'Make Your Own Google Logo' in the very first session.

5.12.18 Ms. Surabhi, our History teacher attended the 10<sup>th</sup> Annual Summit of ITIHAAS i.e the Indian Traditions and Heritage Society on the topic "Conversations around Learning Spaces" at the India International Centre, New Delhi. An array of speakers from various professions graced the summit like Mr. Arun Goyal, Secretary, Ministry of Culture, Mr. Ravish Kumar, journalist, students from various schools as well as Ms. Fatemeh Amiri, an educationist from Tehran. The need for dissent and debate in historical discourses as well as the relevance of stories and legends in learning history and heritage was highlighted.

## SPECIAL ASSEMBLIES

7.12.18 The students of class XI conducted a Special Farewell Assembly for the outgoing Class XII students to wish them a bright future. The Prefect Council showed snapshots of 'Life at Cambridge,' a video which took the students of class XII on a nostalgic trip of school life. Self-composed poems by Aditi, Shubhojit Sen and Md. Monish Obaid highlighted some memorable moments of school life. D. Janani's words on the life after school motivated them to brace themselves for the journey ahead. A medley of soulful songs made them celebrate friendship as an unbreakable bond. The school Head Boy Harris Amjad, and the school Head Girl Rida Kulsoom, expressed their gratitude to the school, teachers and Principal for their support and guidance over the years and encouraged the juniors to strive for excellence. The Principal encouraged the students to work hard and attain success in their life beyond school.

- 24.12.18 A special assembly on Christmas was conducted by the students of class VIII with great fervour and enthusiasm. The programme began with a beautiful depiction of the birth of Jesus Christ followed by melodious carols sung by the school choir. The dance group performed on 'Christmas Polka', 'Feliz Navidad' and 'Last Christmas'. The celebration culminated with Santa's gifts for all.

## TRIPS & EXCURSIONS

- 19.12.18 An excursion trip to the Rock Sport Adventure Camp at 28 Barracks, Kundli was organized for the students of class X. This is an initiative to provide adventure activities to school students. It is an attempt to engage students to test their ability at different outdoor activities and channelise energy in a positive manner. The students were involved in activities like Command crawl, Hop scotch, Tractor ride, Zipline, Commando net, Pottery, Sport climbing, Zorbing, etc.
- 19.12.18 The students of classes III and IV visited the Mathura Road Fire Station along with their class teachers. The students learnt various important measures related to fire safety. They watched several life saving demonstrations by the firemen and interacted with them.

## Mock Drill for Disaster Management and preparation

To create an enabling environment for school safety and to spread awareness amongst students and staff, an earthquake preparedness drill was conducted on 3.12.18. This was to help students know the school evacuation routes during emergency & give training to students with three basic steps i.e. Drop, Cover & Hold during an earthquake. The evacuation drill was successfully conducted as per guidelines.

## Cambridge School Srinivaspuri accredited with the British Council International School Award 2018 – 2021.

With a value-driven approach, Cambridge School Srinivaspuri seeks to enable its students to embrace a world wherein they shall be deeply affected by global changes and shall also be capable of bringing change at a global level. Growing up with such internationalism in mind, our students would exhibit highest levels of integrity, humility and empathy.

The journey towards the British Council International School award has been of tremendous value to students and teachers alike. The sharing of ideas with multiple identities and not just those geographically around has been imbibed by the students. Finding partner schools and coordinating with them for projects taught valuable lessons in communication and collaboration. Moreover, action plans like 'Student's Forex' and 'Urban Trash' made students more aware and conscious about the worldwide trends in currencies, waste management systems, etc. The teachers collaborated to put together the action plans in order to achieve this award. The yearlong effort was worthwhile as it honed the skills of the teachers and students. It also helped in enhancing qualities like patience, teamwork, perseverance, ICT skills, determination, cooperation and coordination. The journey towards the ISA has been enriching. The school shall keep up the momentum by introducing various activities every year that promote the idea of internationalism and global citizenship. It would aim towards collaborations with schools abroad. The extent of team work by the collaboration with the Croatian partner school, Gimnazija Vucovar far exceeded expectations. The British Council online learning courses for teachers and students shall be explored in the immediate future. In a nutshell, the journey has just begun.

## **SPORTS**

- **Annual Sports Meet**

Cambridge School Srinivaspuri organised the Annual Sports Meet on 28.12.2018. The event included energizing exercise drills, flat races, tunnel races, relays etc. Students of class VI displayed Tae Kwon Do skills with great enthusiasm followed by dumbbell drill by class VII and march past by class VIII.

- **Primary Zonal Athletic Meet 2018**

Primary Zonal Athletic Meet 2018 was held at Cambridge School Srinivaspuri for all schools of Zone 25. The events included 60 metre flat race, spoon and lemon race, ball throw, standing long jump, hurdle race etc. The following students of our school excelled in various categories:

1. Latisha of IV-A (Gold Medal in 60 metre race)
2. Rafia Ali of IV-A (Silver Medal in ball throw)
3. Akshita Sinha of IV-B (Bronze Medal in hurdle race)
4. Shreyansh Tiwari of IV-B (Bronze Medal in lemon and spoon race)
5. Mayank Yadav of IV-A (Bronze Medal in ball throw)
