

Cambridge School Srinivaspuri Monthly Report- January 2019

INTRA SCHOOL EVENTS

- 17.1.19 Activity based learning encourages scientific temper in students, enhancing creative and communication skills. Students of Class VI conducted science experiments on various topics like properties of air, properties of light, acid, bases and salts, properties of magnets, physical and chemical changes, chemical and magnetic effect of current.

Name of the students	Event	Topic	Position
CLASS VI-C Devanshi Das, Riyan, Aparna Adhiraj Banerjee,	Intersection science experiments of class VI	Acids, bases and salts	1st
CLASS VI-F Rayyan Ansari, Mudit Mahajan, Saadia Tabassum, Sidra Khan, Pratham, Sarah	Intersection science experiments of class VI	Properties of light	2 nd
CLASS VI-B Puja Sinha Roy, TanvikaKandimala, Lakshita Agarwal, Mrigank Chakraborty, Priyanshu Kumar Nirala	Intersection science experiments of class VI	Properties of magnets	3 rd

- 24.1.19 An Inter-section Sports Quiz for class VII was held. There were six teams comprising three members each. The Quiz had four rounds pertaining to Indian and International sports persons followed by a visual round and a rapid fire round. The teams were judged on their knowledge of sports. VII A got first position followed by VII C who secured second position. VII B and VII F shared the third position.

- 25.1.19 To celebrate the 70th Republic Day, the Primary Classes had their Annual Presentation "Goonj - The Sound of Young India". The event began with the singing of Vande Mataram followed by the Principal, Mrs. Seebaluck's welcome address. Students sang patriotic songs, titled 'Jai Jan Bharat' and 'Ae Khak e Watan' to commemorate the victorious spirit of the country. They also paid tribute to the leaders of our country, past and present, through a play, titled 'Builders of Modern India'. It was a day filled with nationalistic fervor urging the young generation to serve the nation. The performance was appreciated and enjoyed by the parents and students of middle school.

28.1.19 Under the STEM Education Project, students of the Robotics Club prepared pump rockets and launched them. STEM (Science, Technology, Engineering & Mathematics) education aims at hands-on learning beyond classrooms to instill scientific temperament and foster innovation and creativity among students.

30.1.19 The students of class VI to VIII & X participated in the French Olympiad 2018-19 on 26.11.18 & 27.11.18 organized by Education & Beyond India Pvt. Ltd. 11 students won the gold medal and 4 students won the silver medal and certificate of excellence.

Proficiency level: (Class Xth A)

1. Ananya Bansal- Gold Medal
2. Harshita Gupta – Gold Medal
3. Laxmi Khanna- Gold Medal
4. Sunidhi Sharma- Gold Medal
5. Kanishka Thadani- Silver Medal

Advanced Level: (Class VII & VIII)

1. Shaiban Khan- Gold Medal (VIII A)
2. Kripansh Jaidka- Silver Medal (VIII A)

Elementary Level: (Class VI)

1. Vyoma Bansal – (Gold Medal) (VI A)
2. Yusra Ahmed Ansari – (Gold Medal) (VI A)
3. Lakshita Agrawal – Gold Medal (VI B)
4. Puja Sinha Roy- (Gold Medal) (VI B)
5. Tanvika Kandimalla- (Gold Medal) (VI B)
6. Mohd. Umar Khan- (Silver Medal) (VI A)
7. Simran Sharma- (Silver Medal) (VI A)

31.1.19 An Inter Section Flower Arrangement Competition was held for class IX. Students displayed thematically-arranged flowers based on local festivals of various states such as Diwali Celebration in Delhi, Shikara Festival of Jammu and Kashmir, Janmashtami in Uttar Pradesh and many more. Students of IX-F secured the first position for recreating the atmosphere of Vrindavan's Janmashtami through flowers. The second position was shared by IX- B and E for exhibiting Kerala's Kathakali and Delhi's Diwali decorations respectively.

INTER SCHOOL EVENTS

21.1.19 The students from class VIII attended a session organized by the Gandhi Yuva Biradari and Working Group on Alternative Strategies, commemorating the life of Martin Luther King Jr. at India International Centre, Lodhi Estate. The session dealt with the non violent ideals of Dr. King and Mahatma Gandhi influence on his struggle and his beliefs. The students presented Martin Luther King Jr's speeches. It was followed by an interactive session on the theme "Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that". The students found it very inspiring and educational.

28.1.19 The Educational Resource Centre had organized screening of the movie named Massey Sahib. Ms Achharpal Kaur, Ms. Sheeba Sharma and Ms. Vinita Miglani attended. Massey Sahib is a 1985 Hindi drama film, directed by Pradip Krishan, starring Raghubir Yadav in the title role and Arundhati Roy. For the movie, Raghubir Yadav had won the silver peacock for best actor on the 11th International film festival of India in 1987 and FIPRESCI Critic's Prize for best actor, Venice film festival in 1986. Arundhati

Roy on the other hand, is a well-known writer and had won the Man Booker Prize, along with Barry John and Virendra Saxena.

30.1.19 Cambridge School Srinivaspuri hosted the Annual Inter School Garden Festival to celebrate spring's arrival and the vibrant beauty of nature. The Principal, Mrs. Aparna Seebaluck welcomed the guests and the young nature enthusiasts. The Chief Guest, Ms. Gunjan Menon, an avid environmentalist and wildlife filmmaker spoke about environmental concerns and stressed on adopting eco-friendly habits in our daily lives. The event included many segments such as display of Theme Based Gardens, Quiz Competition and a Gardeners Quiz. A Sustainability Fair of eco-friendly products such as air-purifying plants, biodegradable bags and wraps, organic food products etc. was also a part of the event. Modern School, Barakhamba Road bagged the first position for showcasing 'The Circle of Life' through their garden display. Bhartiya Vidya Bhawan secured the second position for artistically displaying 'Super Foods' and the third position was secured by Dev Samaj Modern School for displaying a garden full of 'Green Vibes'. The gardeners of the respective winning teams were also given prizes.

Cambridge School, Noida secured the first position in the Environment Quiz followed by Cambridge School, Greater Noida at the second position. Modern School, Barakhamba Road was declared the overall winner of the competition. Mr. Dhan Singh and Mr. Sukhpal were the winners of the Gardeners quiz.

WORKSHOPS & SEMINARS

8.1.19 A session on 'How to Become Effective Individuals' was organized for the students of class IX. Mr. Ritesh Jain, well known career counselor from Jitin Chawla's Centre for Career Development, was the speaker of the day. The session involved experiential activities to help students understand the importance of communication, leadership skills, appropriate body language and gestures. Mr. Jain introduced various platforms such as Toastmasters International which can be joined without any cost to participate in numerous skill based programmes. He also spoke about the importance of social warmth in our lives and suggested ways to overcome social anxiety. Students actively participated in this interactive session and familiarised themselves with the effective methods of socialising with confidence.

11.1.19 An Inter-School Collaborative Workshop On Evaluating Subject wise Class-X Board Papers was organized at Springdales School, Pusa Road, New Delhi. It was attended by Mrs. R. Khanna, Mrs. S. Dhodi & Mrs. K. Nandy. Dr. Shweta Singh, Dep Director CBSE was the Resource Person. She discussed the analysis of the question papers on the basis of Bloom's Taxonomy and reflected on the parameters of cognitive domain levels. CBSE sample papers and Last two years Summative II Question papers were analysed alongwith the formats.

11.1.19 The Psychology department gave a presentation on Psychoanalytic Theory proposed by Sigmund Freud. The presentation began with some interesting questions that Freud would have asked pertaining to our day-to-day lives. The presentation covered Freud's biography and step by step analogy of his original ideas. The contribution of Psychoanalysis in the field of Psychopathology along with the critique of Freud's work was also covered. The members of the department presented a skit on the conversation between Id, Ego and Superego to deal and respond to our day-to-day struggles. The audience was enlightened with the work of Indian Psychoanalysts like Girendrashekhar Bose and Sudhir Kakar to explain the Indian psyche. The department presentation ended with an engaging discussion amongst the teachers.

16.1.19 The Interact Club of Cambridge School Srinivaspuri, in collaboration with Kailash Satyarthi Children's Foundation, organized an interactive session on 100 Million Campaign. The session was facilitated by Ms. Karishma Duggal who has been working with the foundation as a Digital Campaigner. The objective of

the session was to sensitize the students about child labor. It also aimed to create awareness about the 100 Million Campaign led by Nobel Peace Laureate Mr. Kailash Satyarthi. The Campaign is a call to action for a world where all young people are free, safe and educated. It supports young people to mobilize to end violence against children, eradicate child labor so that every child in the world has the chance to achieve their potential.

Ms. Duggal shared statistical figures to shed light on the growing exploitation of children. She reiterated that the need of the hour is to make children the agent of positive social transformation. The speaker shared few initiatives taken by the foundation, one of them being Bharat Yatra, an on foot rally to end child trafficking and sexual abuse. The students shared their concerns and apprehensions about child labor and enquired how at an individual level they can contribute to the Campaign. Ms. Duggal addressed their queries and suggested them ways to be proactive in the change making process. She also informed the students about child helpline number 1098 on which they can reach out.

15.1.19- 18.1.19

Workshops on Robotics were held in the school Auditorium for the students of Classes VI-VIII in two batches each for Robotics and STEM education by CODE- the Centre Of Digital Excellence, Noida. Students were exposed to various concepts of Physics, Electronics, Aerodynamics, Artificial Intelligence, 3D Printing and Robotics. The students also saw actual robots, some humanoids which could recognize gesture control movement, do dance movements, do obstacle sensing ,do motion sensing. The students got a hands on experience of flying drones, doing 3D printing, rocket launching. It was very informative and innovative workshop for the children.

21.1.19 Activity based learning is the best way to understand science. The Indian Association of Physics Teachers (IAPT) conducted a workshop for students of class IX at Birla Vidya Niketan. The session was based on eye catching, entertaining & low-cost activities that bring the physics classroom alive. Mrs. Pragya Nopany, National teacher awardee 2017 and an alumna of BITS Pilani, was the founder-coordinator. Concepts of physics were discussed with the students as well as teachers.

25.1.19 Hindi department Presentation was held on the topic 'Bachchon ki dus Pasandida kahaniyan. The Presentation began with the Introduction of story writing and its place in Hindi. Sahitya stories were divided into four parts keeping in mind the interest of the students. The stories related to Mythology covered two epics-'Ramayan'and 'Mahabharat', 'Jatak' and 'Panchtantra' stories, Fairy Tales and Modern stories.

The stories were introduced with different styles. Autobiography, Dialogue, Dramatization and Power point presentation of the stories were the main features of the presentation.

TRIPS & EXCURSIONS

8.1.19 & 10.1.19

Students from class VI to IX visited the World Book Fair, Pragati maidan. The students bought books met various authors and they shared their experience with the news reporters.

29.1.19 A one-day adventure trip to 28 Barracks, Kundali, Sonapat was organised for the students of classes III - VI & X. Under the supervision of professional instructors, the students participated in various activities like Burma Bridge, Zip Line, Zorbing, Tractor Ride and the Tug of War etc. The exciting and enriching trip honed the students' team spirit and helped them overcome fear. It made them understand the value of perseverance, sportsmanship and group effort. All the participants would receive participation certificates.

- 31.1.19 Students of standard VII and VIII visited the Asola Wildlife Sanctuary. It is one of the few manmade sanctuaries in India, conserving the eco-heritage of the country's oldest hill range- the Aravallis. This forest, in the city, is home to a variety of plants and animals. The students were shown an informative movie on wildlife and the need of conservation. Children explored the forest trail and observed the flora and fauna of the area. The Forest Guides explained about the wildlife, migratory birds and the vegetation and how it helps Delhi. Students enjoyed going around the forest especially the forest mist, the identification of vegetation, etc⁸. The trip proved to be an educative experience for the students.

SPECIAL ASSEMBLY

- 15.1.19 Army Day is celebrated every year in recognition of Field Marshal Kodandera M. Cariappa, the first Commander-in-Chief of the Indian Army. Fighting four major wars, insurgency and other low intensity wars has indeed made the Indian Army an eminent and efficient guardian of the country. The School celebrated Army Day with a special assembly for the middle school. Harshveer Singh of VIII-F talked about the importance of this day and the contribution of the soldiers in safeguarding the country. Rtd. Col. Education Corps, Devdutta Choudhury, who has served the Indian Army for 31 years, addressed the students and motivated them to serve the nation by joining the Indian Army when they grow up.

- **ASSET TALENT EXAMINATION RESULT (2018-19)**

The following students have qualified for the ASSET talent examination and received special recognitions:

S.NO.	NAME OF THE STUDENT	CLASS	SPECIAL RECOGNITION
1	LAKSHITA AGARWAL	6	SILVER SCHOLAR
2	MANAVJEET DASGUPTA	6	SCHOLAR
3	MISBAH FATIMA	6	SILVER SCHOLAR
4	SACHIN KUMAR	6	BRONZE SCHOLAR
5	IBA SHIBLI	7	SCHOLAR
6	NISHTHA VIJ	8	SCHOLAR
7	NISHITA KHANNA	8	
8	AYESHA QAMAR	8	
9	HARSHVEER SING CHAHAL	8	
10	MANAS KUMAR	8	

- HANDWRITING OLYMPIAD RESULT (2018-19)**

The following students have been awarded with the **Best Handwriting Award**:

S.NO.	NAME OF THE STUDENT	CLASS
1	DIYA RAKHEJA	3
2	POORVI SHARMA	3
3	DAANIA FAAROQUI	3
4	SHEETAL KUMARI	4
5	SAIMA AZAM	4
6	NAVYANSH KUMAR	4
7	SAANVI DUTTA	6
8	ARIBA ANAS	6
9	AMIR AREEZ	6
10	JAPMEET SINGH	7
11	AHLAM SAYEED	7
12	MARIYA JAMAL	7

- NATIONAL SCIENCE OLYMPIAD** was conducted and the following students have qualified for level-2

QUALIFIED FOR LEVEL 2

1	LAKSHITA AGRAWAL	6B
2	ASHAZ MEHMOOD SIDDIQUE	7F
3	SHAIBAAN KHAN	8A
4	ADITYA DHAR	9B
