

Cambridge School, Srinivaspuri

Monthly Report- July 2022

CBSE Board Result

CBSE Board Result for Classes X and XII for 2021-22 was declared on July 22. All the students passed the examination. In Class XII, 171 students secured distinctions and 58 students secured 90% and above. The School Aggregate was 81.95%. In Class X, 178 students secured distinctions and 59 students secured 90% and above. The School Aggregate was 81%.

Farewell

The Principal, teachers and students of the School bid farewell to the students of Class XII (2021-22) with a memorable programme on 2 July. It commenced with a speech by the Principal and was followed by a recitation of a self-composed poem, medley of songs which enthralled everyone and a nostalgic video consisting of the photographs of the outgoing batch. The teachers inspired the students to follow their passions and make their dreams a reality. The programme concluded with the rendition of the school song.

Literary Week

The Literary Week was observed from 11 July – 15 July in which various activities such as Newspaper Writing, Charcha ka Khula Manch, Dramatisation of a Poem, Radio Talk Show, Own the Stage, Abhivyakti Evam Abhinaya were conducted. Students participated in all these events enthusiastically.

Alumna Re-visited

On 19 July, Ms. Shinata Chauhan the second runner up of Femina Miss India 2022 beauty pageant and CSS alumna visited her alma mater. She shared her journey to the crown with the students and the staff of the school. The Principal congratulated and felicitated her for the achievement and wished that she achieves greater heights. Ms. Chauhan, batch of 2017-2018, interacted with the students and inspired them to follow their dreams.

Students' Enrichment Sessions

On 14 July, Psychology Department of Cambridge School organized a workshop on Emerging Careers for Class XII and Career Guidance for Classes IX and XII. The session was facilitated by Mr. Jitin Chawla, Founder and Director of North India's top most career counseling & study abroad firm, Centre for Career Development, located in Delhi. Mr. Jitin Chawla briefed students about the importance of self-discovery & the aspects that they should focus. The objective of the session was to create an awareness about various conventional and non-conventional courses. The workshop for class IX-X focused on career guidance related to different subjects in which Mr. Chawla emphasized the avenues that the individual subjects can open up for students. Ms. Sakshi, the senior counsellor, addressed students about careers abroad & importance of profile building.

An Intra Class Group Role Play activity was conducted in Class IX to sensitize the students towards the condition of poor farmers in Palampur village. Each group enacted a case study given in their NCERT textbook and added an extra element to the story to present their own thoughts on the poor economic condition of the farmers.

Theatre in Education was conducted by the Science department on '**Chemicals in Daily Life**'. The students of Class VIII enacted their enactment on 20 July 2022. The students compared herbal and chemical-based skin care products like soap, shampoo, toothpaste, hair colour, gel, face wash, hair oil, henna, etc. and provided information on the same. It was followed by an interactive session where the students enthusiastically shared the advices taken from their parents and grandparents about different products used in their day-to-day life. Queries of students were also answered by the Science teachers.

From 19 July-26 July, a webinar on Wildlife (SOS) was conducted for students of Classes VI-VIII. Discussions were initiated on various topics which included Working with Wildlife, People and Wildlife, Wildlife Science and we are Wildlife. A certificate of participation received at the end of the sessions.

On 22 July, the School in collaboration with P & G, organized an awareness session on Menstrual Hygiene for girls of Classes V and VI, facilitated by Ms. Molina, a marketing executive working with P&G based on reproductive health and addressed various important aspects on menstrual hygiene followed with a short video to clear various doubts related to the menstruation. Students also proactively participated in the session.

On 22 July, the Commerce Department held a disruptive pitch competition, where teen innovators of Class XII battled it out in Shark Tank-style. Students presented their unique ideas and showcased their skills to create real solutions to universal problems. The winning team members - Harshveer Singh Chahal, Lakshay Chhabra, Raghav Kinger and Pratham Bansal from class XII-C, created the product Hydrofall. The product aimed to collect rainwater to reduce dependency on ground and river water and convert the potential energy of the water into electricity.

A visit to DLF Cyber City, Gurugram was organised for the Economics students of Class XII on 26 July to expose them to a Special Economic Zone. In addition to familiarizing students with the concept of Special Economic Zones, they were encouraged to analyse how SEZs are an ideal investment destination for many foreign investors. Students filled up a worksheet while making observations during the tour. They also gained awareness regarding the recreational facilities available at DLF Cyber City which makes it a perfect business meeting place for national as well as international corporates.

Students of Class VI were shown a documentary, 'Tiger Pride 2021' directed by Duncan Chard on the International Tiger Day. The Documentary portrayed the real story of Indian wildlife (modelled after Rudyard Kipling's Jungle Book) who are in a perpetual cycle of struggle for life. Students found the documentary interesting and enjoyable.

Special Assemblies

In the month of July, special assemblies were organised on Van Mahotsav (Save Environment), Forest: Our Lifeline, Patience and Perseverance, Books are our Best Friends, World Environment Day, Nelson Mandela International Day, Health is Wealth, Importance of Gratitude, Kargil Diwas, Social Harmony, Self-exploration: Hobbies and Interest and Caring for Others.

Consumer Awareness Week: Commerce

The Consumer Awareness Club of the school celebrated Consumer Awareness Week from 18 - 21 July 2022. The week started with the presentation of a skit by the students of Class XII highlighting the duties and responsibilities of the consumers along with awareness of their rights. Students of Classes VI- VIII participated in a Poster making activity in which they scribbled their thoughts colourfully. The students of Classes IX and X prepared an information board on Consumer Duties & Responsibilities with the objective to make students aware about 'Consumer Rights cannot be exercised without performing Consumer Duties'. It concluded with an awareness session conducted by Class XI students making the students of Classes III-V conscious about their duties as responsible consumers and sharing tips on exercising their rights as informed buyers.

Visit to Pearl Academy Portfolio '22

The Humanities students of Classes XI and XII attended the Pearl Academy Portfolio 2022 on 21 July 2022. They got an opportunity to witness Pearl Academy students showcase their creative brilliance through a fashion show and an exhibition that highlighted the convergence of technology and creativity at The Grand, Vasant Kunj. The chief guest was Mr. Sunil Sethi, Chairman, Fashion Design Council of India.

Teachers' Skill Enhancement

Mr. Anmol Rai Gambhir participated in an enriching Capacity Building Program on Chemistry held at COE Delhi – East, CBSE on 12 and 13 July. Dr. Vaishali Mishra (HOD and Coordinator at ITL Public School) was the resource person. The session started with a brief introduction to Scope of Chemistry and Career options for students. Other topics which were taken up included Understanding Adolescence, Curriculum and Lesson Planning as per NEP 2020. She elaborated common alternative conceptions in Chemistry, Innovative practices of pedagogy including ICT, Question Paper analysis and framing keeping in mind Bloom's Taxonomy and guidelines of CUET exam.

In the month of July, the members of the English Department attended CBSE workshops conducted by various Centres of Excellence on Art Integration Across Curriculum, Fostering Critical and Creative Literacy, Library an Asset for Research and Learning, Protection of Child Rights, Digital Library, Digital Learning and Management, Health Promoting Schools, Protection of Child Rights, Happy Teachers Create Happy Classrooms and Addressing Challenges in Post- Covid Schooling. Cambridge Assessment English workshop on Developing and Assessing Writing Skills was also attended by the department members.

The School hosted a workshop on 'How to make teaching of Business Studies more innovative and interesting and the art of framing MCQs' in collaboration with Commerce Teachers' Foundation on 23 July. The workshop was graced by CTF Founder, Mr. Dinesh Madan and was facilitated by Ms. Saudhamini Arvind, Ms. Meera Pandey, Mr. Sameer Bhatia and Ms. Shivani. In the first half of the seminar, Ms. Saudhamini Arvind and Ms. Meera Pandey delineated the novel changes in the CBSE curriculum of Business Studies and also engaged the teachers in activities related to the curriculum. In the second half, Ms. Shivani and Mr. Sameer Bhatia discussed about the typology of the questions followed by an interactive session.

Mrs. Anu Thomas attended the Capacity Building Program on NEP-2020 held on 23 July 2022 at KSM Senior Sec. Public School, Ghitorni. The programme was organized by Centre of Excellence, CBSE and focused on the Policies, Pedagogy and Assessment in the Indian education system post the implementation of NEP 2020.

On July 27, a workshop on Prospective Resource Person in Accountancy was attended by Ms Rachna Sethi. The resource person for the workshop was Ms. Mamta Narula, Commerce Teacher, Delhi Public School, Vasant Kunj. The main motive of the workshop was to inculcate and enhance the interest for the subject amongst the children. The session focused on how to train, prepare and help Accountancy teachers to make the teaching-learning process interesting for the students and also evaluate the students through games and fun-filled activities like conducting quiz, role plays, having brainstorming sessions in the class etc.

An interactive Capacity Building Programme on Class X Hindi curriculum and teaching skills was held on July 28-29 at COE Delhi – East, B-Block, Ground Floor, CBSE, Regional Office, Patpargunj, New Delhi. The session was facilitated by Dr. Arvind Kr. Jha and Dr. Nirupama Singh, PGT Hindi teachers at D. A. V. Shreshth Vihar and Vasant Valley School respectively. The first day the event involved a group discussion on topics such as the curriculum and its structure, Devnagari script, common errors, correct versions, new teaching skills, and new teaching ideas implemented through lesson plans in class. The second day started with the discussions on creative writing skills such as dialogue writing, advertisement writing, and concept map. The last session was based on unseen poetry, information writing format, letter writing, Email writing and instructions on changes in the new curriculum.

At the end, Mr. Pushkar Vohra, Director and Head of CBSE, addressed the gathering and presented the certificates to the teachers.

Sports Activities

The School organised Intersection Basketball Matches for Classes VI-X from 25 to 29 July to hone their skills in a competitive manner and prepare them for Zonal selection.
